

BELLMONT 1900 SERIES

LIMITED LIFETIME WARRANTY

At Bellmont Cabinet Company, we are proud of the quality, design and construction of our Bellmont 1900 series. We make every effort to ensure that the products we produce conform to our rigid specifications. To show our commitment to our products and customers, Bellmont Cabinet Company hereby warrants its products to the original purchaser, a limited lifetime warranty against manufacturing defects in materials and workmanship under normal use and conditions. This warranty begins upon the date of delivery and runs for as long as you own your home.

Our cabinetry is specifically manufactured for use in interior residential applications excluding garages and/or other exterior applications. Usage in any other application is not covered by this warranty. This warranty is not transferable. Claims under warranty are limited to replacement product only. Bellmont Cabinet Company reserves the right to substitute similar product for warranty issues on discontinued products. Transportation, shipping charges and installation labor are the responsibility of the purchaser. Warranty is void on any products altered or repaired in the field by unauthorized labor. Authorized warranty work performed or replacement parts provided does not extend the warranty period any further. Warranty is void on product stored in non-temperature controlled environments before installation.

WOOD PRODUCTS AND FINISHES

The typical aging process of solid wood and veneer products may cause the color to vary or change from the original tone or color. Exposure to ultraviolet radiation, air, high humidity or moisture accelerates this process and is not covered by warranty. Exposure to extreme heat or sunlight, or evidence of misuse or abuse also voids this warranty. Wood products ordered as 'unfinished' or primed will not be covered by this warranty. Certain door styles will not be covered by this warranty when installed in specific geographic areas, as noted in our catalog. When ordering additions or replacements for an existing installation, we require a large sample (such as a door) from the existing installation for color match and must be received before the order can be placed. Colors will be matched as closely as possible.

RIGID THERMOFOIL AND LAMINATE DOORS

Because glues and other adhesives used in the manufacturing process can be subject to failure when in contact with excessive heat, precautions must be taken to eliminate this possibility. Specifically, doors and drawer fronts on either side of a range or oven must be opened when the oven is being used in high heat cycles, including broil and self-cleaning operation. Failure to follow this procedure will void the warranty.

Except as provided herein, Bellmont Cabinet Company makes no express warranties and any implied warranties, including those of fitness for a particular purpose and merchantability or habitability; and those otherwise available under Washington state or federal laws are specifically excluded under this warranty. Bellmont Cabinet Company shall have no liability or responsibility to the customer or any other person or entity with respect to any liability, loss or damage caused directly or indirectly by use or performance of the product or arising out of any breach of this warranty, including, but not limited to, any damages resulting from inconvenience, loss of time, property, income, or any indirect, special, incidental or consequential damages even if Bellmont Cabinet Company has been advised of the possibility of such damages.

Some states do not allow the limitations on how long an implied warranty lasts or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

To request service under this limited warranty, contact Bellmont Cabinet Company's Customer Service department in writing. A dated sales receipt as proof of purchase is required to obtain benefits from this warranty. Please send your claims via e-mail to CustSvc@bellmontcabinets.com or by mail to Bellmont Cabinet Company, Attn: Customer Service, P.O. Box 2050, Sumner, WA 98390.
