

Cedar Landing

For 50 years, Quadrant Homes has been building, delivering and standing behind thousands of homes in hundreds of communities throughout Western Washington.

- We've worked with hundreds of homebuyers and design experts to create Flex Options for all our floor plans. Flex Options provide homebuyers with the flexibility to customize their home to fit their family and lifestyle needs.
- With an industry-leading willingness to refer rate, Quadrant Homes is the winner of multiple national Guildmaster Awards for customer service.
- Our LivingSmart® Program incorporates energy-saving strategies throughout the construction process – with innovative home-building techniques, and efficient appliances and lighting.
- Quadrant's revolutionary construction methods are designed to deliver the highest quality home; inspected, monitored, and measured daily until completion.
- With a safety record unmatched by any other builder, our highly skilled construction vendor partners have been building our homes and standing behind their work.
- Our Design Studio has received national recognition, and was recently honored with the Gold Award for Best Design Center at "The Nationals."
- Quadrant Homes is a member of TRI Pointe Group, a family of premium regional homebuilders supported by the significant resources, economies of scale and thought leadership of a national foundation. Together this makes TRI Pointe Group one of the largest homebuilders in the U.S.
